

ENGLISH FOR OCCUPATIONAL PURPOSES

Wan Norliza Wan Mustapha, Haliza Abdul Ghani, Rosiah Abu Bakar and Raihan Musa

INTERMEDIATE

English for Occupational Purposes is written specifically to help undergraduates improve their command of the English language and communication skills. Written in a basic format, the discussions and exercises contained in the book will help in reading, writing and speaking, which are essential in meeting both academic and occupational objectives. This book can also help students better understand the strategies needed for effective workplace communication which will result in positive communications relationships between all levels in organizations.
