**Impact Listening, Second Edition** continues to build on its success with a clear, four-step methodology to make all learners better listeners. The theme-based units of this three-level series provide high interest and relevant contexts for engaging listening practice. **Impact Listening, Second Edition** is an exciting series that features an abundance of rich input and a variety of creative activities. The series helps students develop listening for social, academic, and business purposes.

## Key Features:

- Expanded units offer more listening possibilities.
- 80% new recording with even more natural and authentic speaking styles and accents.
- 3 test-based review units provide further opportunities for learners to reinforce their listening skills.
- Website support includes links to online audio and video sources related to the unit topics.
- Teacher's Manual includes a Test CD-ROM with editable, ready-made tests.
