

MY WORLD

Manuel dos Santos

BEGINNER TO INTERMEDIATE

This exciting course from best-selling author Manuel dos Santos takes learners from beginner to intermediate level. **My World** integrates the day-to-day aspects of teenagers' lives with real-life English learning situations and models.

My World covers the four skills of reading, writing, listening, and speaking in a fun and meaningful way. Theme-based units that appeal to teenagers combine language input with skills work, while four review units recycle vocabulary and structures and present entertaining and catchy original and cover songs.

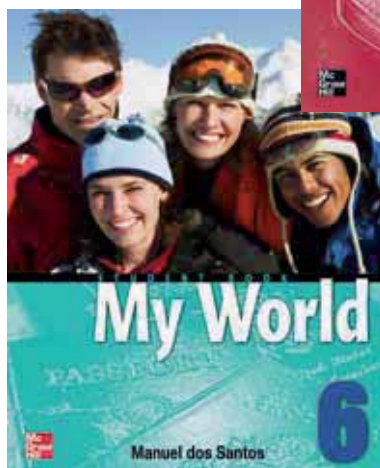

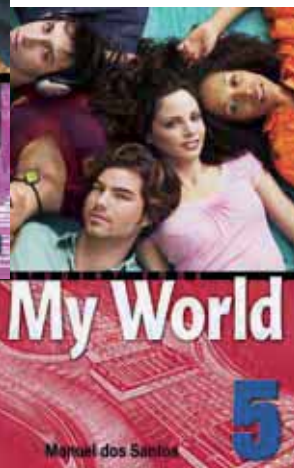

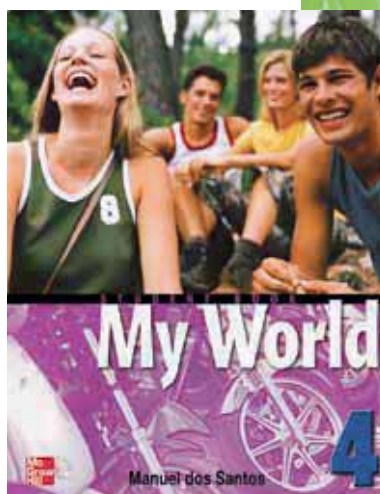

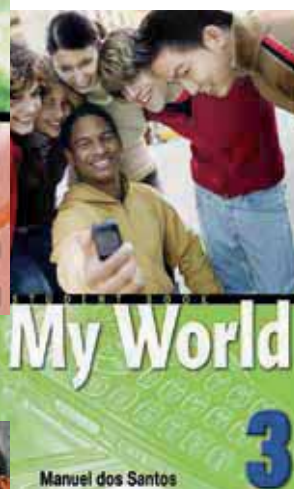

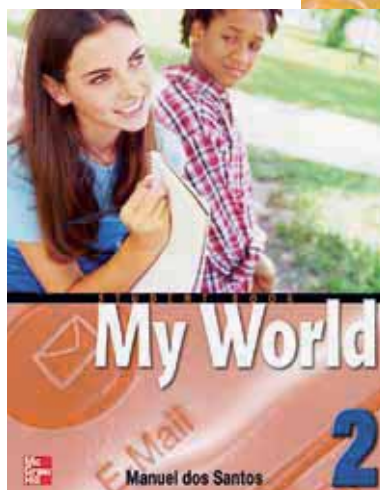

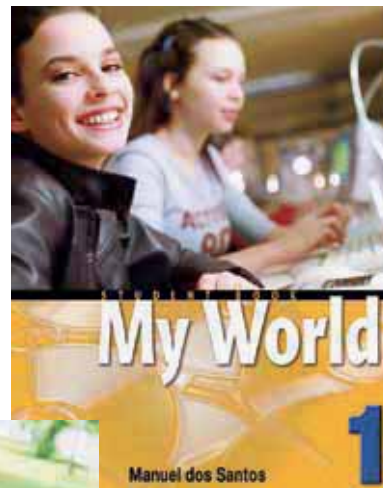

My World will stimulate students in the English classroom and at the same time provide practical solutions for teachers in a flexible format.

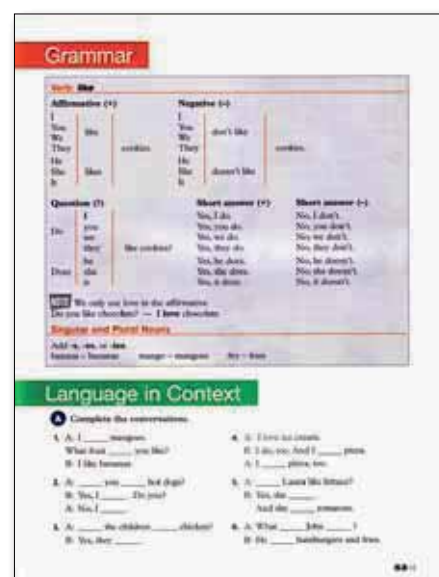

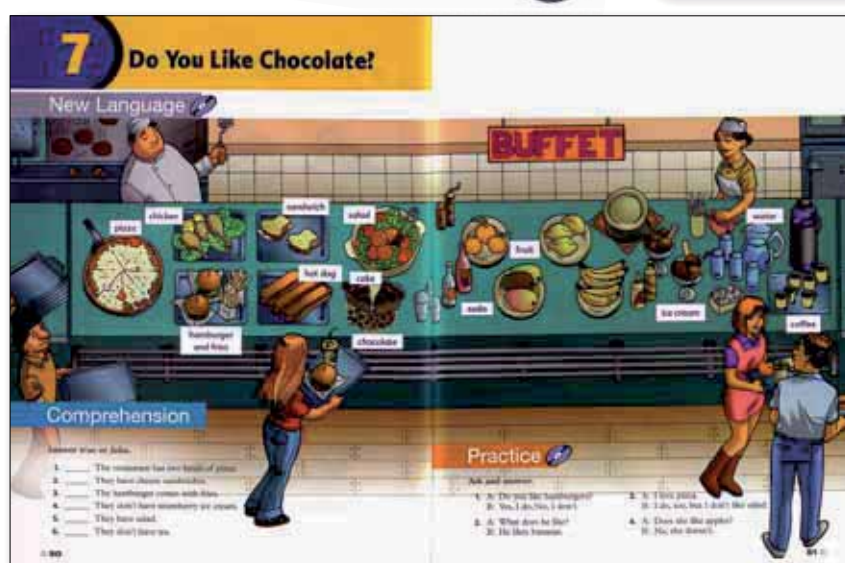

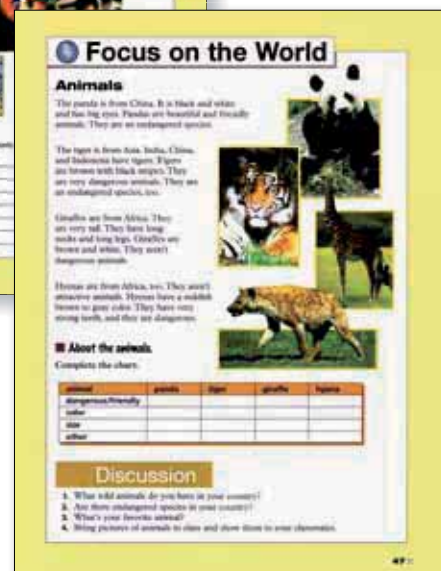

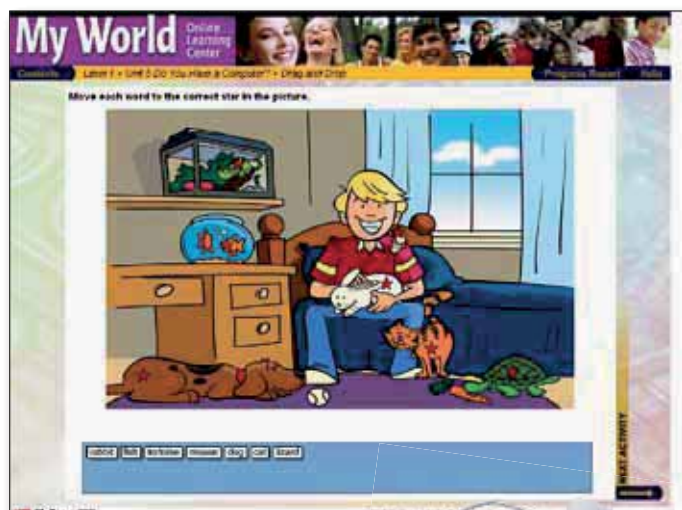

Key Features

- **Attractive and eye-catching unit openers** introduce new language in context
- **Student-based learning** allows students to relate their own lives to practical, theme-based situations
- **User-friendly lesson design** follows consistent format: *New Language, Practice, Conversation, Listening, Grammar, Language in Context, Speaking, Writing, Project*
- **Grammar** is featured in **easy-to-read charts** and subsequently practiced orally and in written format
- **Review units** that reinforce and recycle follow every three units
- An **international context** provides opportunities for increased cross-cultural understanding, learning, and sharing
- **Culture Files** open students' eyes to global diversity
- **Projects** take learning one step further and contextualize it in students' real lives
- Numerous opportunities for **pair and group work**
- **Cross-curricular material**
- **Games and songs** bring English to life and make students want to use it to communicate

Components

- Student Book with Audio CD
- Workbook
- Classroom Audio CDs
- Teacher's Guide
